Title: European Artificial Intelligence Act webinar for IDERHA members

Date and Time: 27th of May 2024, 3.00- 4.30 pm

Participants

The IDERHA project held a webinar on the European Artificial Intelligence Act (EU AI Act) on May 27, 2024, with around 35 participants. Speakers of the webinar were the EU AI Act specialists and IDERHA members, Nathan Lea, independent consultant and Data Protection Officer at i~HD and Ulrich Juknat, Legal Director – Regulatory Law, EMEA at Johnson & Johnson.

Aims

The webinar informed the consortium members about the Act's context, content, and requirements.

Key findings

The AI Act is the first worldwide regulation on AI, aiming to promote safe AI development and respect EU citizens' fundamental rights. The webinar has set the basis and is the first step towards an in-depth applied workshop for IDERHA members on the EU AI Act's implications for the IDERHA project, scheduled for later this year.
