NEWS

Newsletter | May 2025

In this quarterly IDERHA newsletter we invite you for the **EHDS panel discussion**, put **IDERHA researchers in the spotlight**, present a new publication on **EHDS adoption** and highlight the **award received by Daniel Rückert**.

At the beginning of May, the second year of the IDERHA project was wrapped up during the Annual Consortium meeting in Berlin. The meeting was all about the progress made within the project this year and what the next steps will be.

Keep an eye on our [website](#) and [LinkedIn](#) to follow IDERHA's progress.

IDERHA is a pioneering research project funded by the EU that aims to build a digital platform that integrates health data to help researchers, clinicians and patients to improve patients' outcomes. More information on our [website](#).

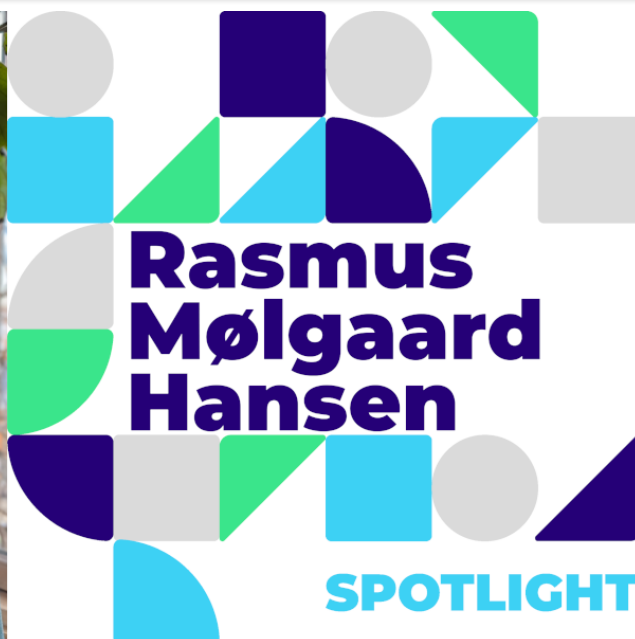

Join our online panel discussion on bridging EHDS ambitions with IDERHA's vision

Several key opinion leaders will unpack how aligning data collection with clinical practice can unlock better, more usable data for research and innovation. [Read more and register.](#)

Six EU-funded cancer-related projects adopt EHDS

In a recent IDERHA paper, researchers including IDERHA members Rada Hussein, Somayeh Abedian, and Philip Gribbon, assessed the interoperability standards of six cancer-related projects, resulting in an interactive toolkit. [Read more.](#)

In the spotlight: Rasmus Mølgaard Hansen

In our interview series about the people that drive IDERHA, we spotlight Early Career Community member Rasmus Mølgaard Hansen. You can read why he would give a TED talk on digitalization, how his ideal day off looks like and why he would like to have dinner with Dumbledore. [Read the full interview here.](#)

Prestigious prize for IDERHA member Daniel Rückert

[Foundation](#) to exceptional scientists and academics for their outstanding achievements in the field of research. [Read more.](#)

In the spotlight: Lena Hegel

In our interview series about the people that drive IDERHA, we spotlight Early Career Community member Lena Hegel. Find out why she would give a TED talk on volunteering, why Lena would like to have dinner with Florence Nightingale and her ideal way to spend the day off. [Read the whole interview here.](#)
