NEWS

Newsletter | September 2025

In this quarterly IDERHA newsletter we introduce you to Hygiaso's recently developed citizen app, put IDERHA researchers in the spotlight, present a new publication on interoperability in European health research and show you a new IDERHA report on relevant policy and strategy around the reuse of health data.

Keep an eye on our [website](#) and [LinkedIn](#) to follow IDERHA's progress.

IDERHA is a pioneering research project funded by the EU that aims to build a digital platform that integrates health data to help researchers, clinicians and patients to improve patients' outcomes. More information on our [website](#).

Hygiaso Demonstrates Citizen-Centric Health Data Innovation with Shareguard Health

IDERHA partner Hygiaso has published its mobile application “Shareguard Health” earlier this year, marking a significant milestone in citizen-driven health data empowerment. [Read more.](#)

In the spotlight Part 8: Nadja Kartschmit

In our interview series about the people that drive IDERHA, we spotlight Early Career Community member Nadja Kartschmit. Discover what Nadja's calling would have been outside research and what skill she would like to master in 24 hours. [Read the whole interview here.](#)

Empowering Interoperability in European Health Research

In a recent publication by among others Rada Hussein, Somayeh Abedian and Philip Gribbon, they present a new standards compliance toolkit developed by leading EU research projects such as IDERHA in collaboration with HSbooster.eu. The toolkit offers a practical guide for aligning with the European Health Data Space for the secondary use of data (EHDS2). [Read more.](#)

IDERHA report on relevant policy and strategy around reuse of health data

data reuse landscape on which IDERHA depends. [Read more.](#)

Hilkka Liedes

SPOTLIGHT

In the spotlight: Hilkka Liedes

In our interview series about the people that drive IDERHA, we spotlight Early Career Community member Hilkka Liedes. Read about why she would like to have dinner with Joséphine Baker, how a perfect day off looks like and what skill she would like to master in 24 hours. [Read the whole interview here.](#)
